

The Lockheed Martin Management Club would like to announce the 2011 textbook scholarship

program that is being offered to LMMC members with children (or youth under legal guardianship) currently enrolled in a college or university. This year LMMC will be offering scholarships to offset the cost of textbooks. Each scholarship will be in the amount of \$500.00 (which is the average book cost for one semester). There will be 20 scholarships issued this year. Students may reapply each year following the same guidelines.

To be eligible for this scholarship the student must have at least one family member who is a current member of the

Lockheed Martin Management Club. An application must be filled out and turned in along with proof of attendance at any accredited college or university.

Applications must be turned in by the deadline identified on the current application.

Scholarship winners will be chosen at random and will be awarded the full amount by check. There are no other eligibility

requirements for this scholarship. The student and parent must sign a waiver that allows LMMC to use their name(s), photograph(s), and other information related to the award of this scholarship for future advertisement or articles.
